In your opinion, what agency is most directly responsible for protecting this watershed?

_______________________________________________________________ (name of agency)

Why? _________________________________________________________________________

______________________________________________________________________________

______________________________________________________________________________

Does your Watershed Group have access to adequate amounts of unbiased, technical information regarding water quality measurements in the watershed you serve?

☐ Yes, we have access to all the unbiased, technical information we need.
☐ No, we lack access to necessary unbiased, technical information.

What is the main source of unbiased, technical information for your Watershed Group?

☐ Local and state agency representative
☐ County/Conservation Districts
☐ Universities or Extension professionals
☐ Private research
☐ Federal agencies (USGS, USEPA)
☐ Other source
☐ We do not utilize unbiased, technical information
What sources of unbiased, technical information would you like to see presented to your Watershed Group?

- Local and state agency representative
- County/Conservation Districts
- Universities or Extension professionals
- Private research
- Federal agencies (USGS, USEPA)
- Other source _______________________________________
- We do not utilize unbiased, technical information

If you had to grade the accomplishments of your Watershed Group, what grade would you administer?

- A
- B
- C
- D
- F
- Incomplete
- Insufficient information or accomplishments on which to base a grade

How can this grade be improved? _____________________________________________________________
________________________________________________________________________________________
________________________________________________________________________________________

What types of topics, presentations or speakers would be of interest to you and would help to fulfill the duties of the Watershed Advisory Group as set forth in Idaho Code (39-3616 http://www.legislature.idaho.gov/idstat/Title39/T39CH36SECT39-3616.htm)
________________________________________________________________________________________
