DEQ’s Vendor Guide

Updated 2008
This guide has been prepared by the Department of Environmental Quality (DEQ) Fiscal Office to acquaint potential contractors with the DEQ process for purchasing services. This guide does not address purchases of goods or commodities.

Professional services purchased by DEQ typically call for a contractor’s time and effort and require special knowledge and skills. Contractors will have a professional knowledge and experience in a particular discipline, science or service. Examples of services contracted by DEQ include education, training, fisheries biology, environmental remediation, hydrology, water and air quality modeling, research, among many other specialty areas.

**HOW DEQ PURCHASES SERVICES**

The following is a summary of the types of contracts and the procedures used by DEQ.

**HOW TO GET ON DEQ’S VENDOR LIST**

The DEQ Fiscal Office maintains a database of vendors who have expressed an interest in particular work. If you would like to be included on the DEQ vendor list, please complete the Vendor Information Form.

**HOW DEQ NOTIFIES VENDORS OF BIDS**

For purchases less than one year and less than $50,000, DEQ will notify vendors either by telephone, fax, or mail. DEQ notifies vendors who have expressed a particular interest in the type of work for which services are needed. A minimum of three qualified vendors must receive the notification but in many cases, more than three vendors receive the notice.

When Requests for Proposals (RFPs) are used to purchase services, the RFP is mailed to a list of vendors who have expressed a particular interest in the type of work for which services are needed. Generally, DEQ seeks to solicit a minimum of 10 vendors. The list may be longer depending on the type of work and the pool of qualified vendors.
There is currently no system for electronic notification of vendors. It is possible that in the future, bid notices and RFPs may be posted on the DEQ Web site. At the present time, notification is by phone, fax, or mail, depending on the type and dollar amount of the services needed.

**VENDOR REQUIREMENTS**

Specific qualifications, knowledge and skills are described in the individual bid documents and will depend on the type of services needed. The following are general requirements that a vendor must meet in order to be eligible to contract with DEQ.

- Vendors must certify that they are not debarred, suspended or otherwise ineligible from federal contracting.
- The vendor must not be currently under indictment for a civil or criminal charge.
- The vendor must not have within a prior three-year period had one or more public transactions terminated for default.
- The vendor must not attempt by any means to influence the specifications in any bid document.

**Vendor Insurance Requirements**

If a contract is awarded, the vendor must be able to provide the following certification of insurance.

1. **Commercial General Liability:** This coverage protects businesses against liability claims for bodily injury and property damage arising out of operations, products and completed operations. The minimum amount required is $1 million.

2. **Worker’s Compensation and Employers Liability:** The amount of insurance required will depend on the type of work being conducted by the contractor. The State Insurance Fund [http://www2.state.id.us/isif/index.htm](http://www2.state.id.us/isif/index.htm) can provide guidance to vendors. Very small businesses or sole proprietors who do not have their own worker’s compensation policy will be placed under the DEQ worker’s compensation policy, and the costs for this insurance will be borne by DEQ.

3. **Professional Liability/Errors and Omissions:** This coverage is required in the performance of professional services. It protects the contractor from claims alleging negligence, error or omissions in their performance as a professional. The minimum amount required is $500,000.

4. **State of Idaho Named Additional Insured:** DEQ will be named in the contractor’s commercial general liability policy. This means the state will be able to turn to the contractor’s insurance company for protection without having to investigate questions of negligence on the part of the state.
FORMAT OF BID DOCUMENTS
The following is the minimum information that vendors can expect to see in a Request for Bid/Request for Proposal. The format of the request may vary somewhat depending on the nature of the project.

1. **Scope of Work and Technical Specifications**: This describes the needs identified by DEQ and the work to be done. Minimum qualifications or standards to be met by the contractor will also be described.

2. **Deliverables**: This describes DEQ’s specific expectations of the contractor.

3. **Proposal Submission**: This provides the format in which vendors will submit both their technical price proposals. All bidders will follow the same format in order to facilitate proposal evaluation. This section also includes information on the place, time and date for proposal submission and number of copies required.

4. **Evaluation Criteria**: This describes the general proportion of points to be assigned to each area to be evaluated. The criteria used to score and rank each proposal is also included. Price proposals are submitted as separate documents from the technical proposal and are evaluated separately.

5. **Contract Terms and Conditions**: The standard DEQ contract identifies the terms and conditions that all contractors must adhere to. All bid documentation, including the DEQ request and the contractor’s bid proposal and price proposal, will become part of the contractual agreement between the contractor and DEQ. Additional provisions or enhancements to the scope of work may also be added.

It shall include any subcontractor retained by the prime CONTRACTOR as permitted under the terms of this CONTRACT. It shall mean acting in an independent capacity, not as an officer, employee, or agent of the DEPARTMENT. It shall mean one who can provide the same or similar services to individuals or entities other than the DEPARTMENT.
C. CONTRACTING OFFICER shall mean that person appointed by the DEPARTMENT to administer this CONTRACT on behalf of the DEPARTMENT. The term includes, except as otherwise provided in this CONTRACT, an authorized representative of the CONTRACTING OFFICER acting within the scope of his/her authority.

C. The CONTRACTOR is not to be considered an agent or employee of the DEPARTMENT for any purpose, and neither the CONTRACTOR nor their employees are entitled to any benefits of employment provided by the DEPARTMENT to its employees.
D. It is understood that the DEPARTMENT does not agree to use CONTRACTOR exclusively, and that CONTRACTOR is free to contract to perform similar services for other parties while under contract to the Department, so long as there is no interference with the performance of this Contract.

III. TERMINATION FOR CONVENIENCE
A. The DEPARTMENT or CONTRACTOR may cancel this Contract at any time with or without cause upon thirty (30) days' written notice to the other party, and specifying the date of termination.

F. Upon termination under paragraphs A. or B. above, the DEPARTMENT may take over the work and may award another party a contract to complete the work under this CONTRACT.

G. In such event, adjustment of the CONTRACT compensation shall be made as provided above in paragraph D.
