RE: Final finding of no significant impact determination for the City of Albion  
Wastewater Improvements (WWG-344-2011-10)

Dear Mayor Hardy-Mills:

A draft finding of no significant impact (FONSI) was issued by the Idaho Department of Environmental Quality (DEQ) on July 22, 2016 for the City of Albion Wastewater Improvements based on a careful review of the environmental information document prepared by J-U-B Engineers, Inc.

The draft FONSI was published on July 29, 2016 in the *Times-News*, newspaper of record for the City of Albion. No comments were received during the 30-day public comment period following publication. Therefore, the record of decision for the City of Albion Wastewater Improvements, a FONSI, is final.

This completes the environmental review of this project. Contact Joe Otero at the DEQ Twin Falls Regional Office, (208) 737-3885, if you have questions regarding the project. For questions regarding the environmental review contact Mike May at (208) 373-0406 or via e-mail at [Michael.May@deq.idaho.gov](mailto:Michael.May@deq.idaho.gov).

Sincerely,

A handwritten signature in blue ink that reads "Barry N. Burnell".

Barry N. Burnell  
Water Quality Division Administrator
