

Motions for the October 2016
Meeting of the Idaho Board of Environmental Quality

Agenda Item #3

Rules for the Control of Air Pollution in Idaho, Docket No. 58-0101-1602

I move that the Idaho Board of Environmental Quality adopt as pending rules the Rules for the Control of Air Pollution in Idaho as presented in the final proposal under Docket No. 58-0101-1602, with the rules becoming final and effective upon the adjournment sine die of the First Regular Session of the Sixty-fourth Idaho Legislature if approved by the Legislature.
