

Motions for the October 2016
Meeting of the Idaho Board of Environmental Quality

Agenda Item #6

Rules Regulating Under Ground Storage Tank Systems,

Docket No. 58-0107-1601

I move that the Idaho Board of Environmental Quality adopt as pending rules the Rules Regulating Under Ground Storage Tank Systems as presented in the final proposal under Docket No. 58-0107-1601, with the pending rules becoming final and effective upon the adjournment sine die of the First Regular Session of the Sixty-fourth Idaho Legislature if approved by the Legislature.
