## Participate in DEQ's Woodstove Changeout Program

- Determine if your current woodstove or fireplace insert is noncertified. For information, visit [www.deq.idaho.gov/air-quality/burning/wood-stoves/epa-certification.aspx](http://www.deq.idaho.gov/air-quality/burning/wood-stoves/epa-certification.aspx).
- Obtain the Woodstove Changeout Application - Proof of Residence Form from DEQ (city utility bill required).
- Purchase an EPA-certified woodstove or other qualified unit from an Idaho woodstove partner, and along with the disposal receipt, receive a \$500 rebate and 10% discount (pending available funding).
  - Idaho Stove Works
  - Mr. Mower, Pocatello
  - Nick's Fireplace Outfitters, Pocatello
  - Rocky Mountain Supply, Pocatello
  - Webbco, Pocatello
- Remove the noncertified woodstove or fireplace insert from your home and dispose at Pacific Recycling. Keep the disposal receipt.
- Properly install the new EPA-certified woodstove, fireplace insert, pellet stove, natural gas unit, or propane unit. Claim deduction on your Idaho tax return (requires receipt). [www.deq.idaho.gov/air-quality/burning/wood-stoves/replacements-and-tax-deductions/](http://www.deq.idaho.gov/air-quality/burning/wood-stoves/replacements-and-tax-deductions/)
